

NOTICE TO BIDDERS

The City of St. Charles (City) is seeking a hydraulic utility machine for maintenance and beautification of facilities and infrastructure. All systems bid shall be complete, ready for operation with no additional hardware necessary. In addition, the bidder shall provide a list and literature of the full spectrum of attachments and compatible equipment that may benefit the City's goal. The following are minimal features and specifications that are required for the City to obtain a Hydraulic Utility Machine that offer greater design qualities and features that maximize diversity and functionality for the City.

Sealed bids will be received at the Office of the Purchasing Manager, Two East Main Street, St. Charles, Illinois, not later than 2:00 p.m., Wednesday, August 3, 2016, for New/Unused Hydraulic Utility Machine.

Bids will be opened publicly and read aloud in the Council Chambers at 2:00 p.m., Wednesday, August 3, 2016.

These Bids are available via the City Website. Alternatively, specifications and bidder information may be obtained at the Office of the Purchasing Manager, City of St. Charles, 200 Devereaux Way, St. Charles, IL 60174.

All sealed envelopes must be clearly marked for which proposal they pertain to.
